We are excited to announce this will be the 5th year of the annual Christmas Tree Lighting in Atlanta, Illinois on November 28. This is an even more exciting year as we will be hosting the first annual Christmas parade prior to the lighting, at approximately 4:30pm. This year's theme is "Christmas on Route 66". The best decorated float and car will both have an ad published in the *Olympia Review* and *Lincoln Courier*. Furthermore, the two winners will also be listed as sponsors for the first cruise-in of 2022. Last year our May kick-off cruise brought in 227 people!

Please let us know if you can submit a float or car for the Christmas Parade on November 28th either on this form, via Messenger ([visitatlantail](#)), or by email at tourismatlantail@gmail.com. We are also accepting monetary donations to purchase Christmas decorations and lights. Each donor will receive a small plaque, placed by the item they helped purchase.

We cannot wait to see all of the wonderfully decorated floats and cars!

Please call me at 217-871-7558 or email me at tourismatlantail@gmail.com if you have any questions.

Gratefully,

Whitney Ortiz
